From Ontario & Western Canada

October 2016

A Message from the President

As October comes to an end, I want to take this time to thank everyone who supported the 60th Anniversary Scholarship Campaign. Through the support received we helped students like Max who is studying Physical Therapy at Tel Aviv University. Max chose to study Physical Therapy because he loves working with his hands and wants to help people through his work. During his studies Max was faced with various challenges including spending 40 days in reserve service in Gaza. Max is grateful to the donors that helped him get through these difficult times and for giving him the chance to pursue his dreams.

Thank you again for investing in the future of Israel's youth, you are ensuring disadvantaged but promising young students receive a world-class Tel Aviv University education and allowing them to

Over the next month we are running some unique programs including a breakfast and video discussion with Leonardo Leiderman, Chief Economic Advisor at Bank Hapoalim and Professor of Economics at Tel Aviv University at Bank Hapoalim - Toronto. And in celebration of Hanukkah, join Noah Goldberg, Chef & Owner, Peter Pan Bistro, and TAU Alumnus as he puts a twist on your favourite holiday dishes. Details about these events can be found below.

Lastly, I would like to acknowledge the passing of Don Seal. Don was instrumental in the growth and development of Canadian Friends of Tel Aviv University in Montreal and Nationally. Our deepest sympathies to Barbara and the family. Don was a friend of mine and will be greatly missed.

Noah Goldberg, Overseas Study Program

Noah Goldberg is the Executive Chef and Owner of Peter Pan. Just over a year ago Noah moved into the iconic Queen West location and opened Peter Pan where he is now serving neighbourhood fare with a twist. On December 1st, Tel Aviv University Alumni and Friends will have the opportunity to join Noah at Peter Pan as he re-creates classic holiday inspired dishes. Noah is delighted to have the opportunity to share his restaurant with fellow TAU Alum and support the Manna Centre for Food Safety and Security at Tel Aviv University. Join Canadian Friends of Tel Aviv University on November 29th as we participate in this year's GivingTuesday. CFTAU is taking on an ambitious and groundbreaking strategic initiative designed to institutionalize social engagement at Tel Aviv University. The University is fulfilling its social & public commitment by providing direct services to the community and by fostering a generation of young citizens socially involved and committed to Israeli society.

The Centre for Civic Impact motivates students towards civic leadership and social change promoting the values of democracy, human dignity, social responsibility and social solidarity.
