A Message From the Chair

Dear Friends, Alumni and Supporters,

I recently returned from Israel and was fortunate enough to be there for the annual Board of Governors meetings along with Stephen Adler, Executive Director, and

many of our Board members. I enjoyed the fantastic program which included the inaugurations of the Miles S. Nadal Home for Technological Innovation and Entrepreneurship and the Dan Department of Communication as well as the opening of the Steinhardt Museum of Natural History. Photos can be found on [Facebook](#) and our [Website](#) .

One of my favourite things to do while in Israel at Tel Aviv University for the Board of Governors is to meet and speak with students. I am always impressed by their accomplishments. If you attended Tel Aviv University at any time, connect with our Alumni association by visiting us on [Linkedin](#) , [Facebook](#) and emailing [Elaine](#) to ensure you get all the latest details about our programs and opportunities to meet and network with fellow alumni.

To those of you that attended the UJA walk for Israel, I hope you enjoyed the mild weather and festivities joined by over 20,000 supporters who turned up to show their solidarity for Israel.

A handwritten signature in black ink that reads "Jeff Wagman". The signature is fluid and cursive, with the first name "Jeff" being more prominent and stylized than the last name "Wagman".
