

What's New @ CFTAU

BOG2017 EDITION

Dear Friends,

What an unbelievable experience the BOG2017 and the All-Access Mission for our Young Leadership have been... This year's Montreal delegation was 35 people strong, including nine Young Professionals; a record in CFTAU's history.

From the first event to the last, with all plenary sessions, symposia, gift announcements, cornerstone layings and inaugurations of new schools and buildings (with four from Canada...!!!), the TAU team outdid themselves yet again.

All expectations were met and surpassed and brought to a great closing with a Gala Concert of TAU's Buchmann-Mehta School of Music Symphony Orchestra, under the leadership of Maestro Zubin Mehta, at the Charles Bronfman Auditorium in Tel Aviv.

Take a look yourself at the pictures below.
