

## TAU TIDBITS

February 2018

### A Message from our Chair

I am pleased to share with you our February newsletter and to officially announce the opening of the registration for the golf classic. If you would like to be part of another great event register today to play in our Golf Classic this Spring, where you will get the opportunity to meet our Toronto Blue Jay Baseball star, Kevin Pillar.

On another note on stars, well known actor Liev Schreiber recently visited the Steve Tisch School of Film at Tel Aviv University where he educated the students on acting and filmmaking.

I would like to take this opportunity to wish you a "Purim Sameach" from all of us at Canadian Friends of Tel Aviv University.
