TAU Global Campaign Update

OTTAWA • QUEBEC • ATLANTIC CANADA

Dear Friends,

All of us at Canadian Friends of Tel Aviv University know you stand with us in our shock and outrage over the heinous attack at Pittsburgh's Tree of Life Synagogue this past Shabbat, and join us in offering our sincere condolences to those who were affected by this event, the deadliest Antisemitic act in American history.

Some two months ago, we honoured Maxwell Smart, a child Holocaust survivor, at our 45th Anniversary Gala. In her keynote speech, Dina Porat, Tel Aviv University's distinguished Professor, and Head of The Kantor Center for the Study of Contemporary European Jewry, explored the issues of global Racism, Genocide, Xenophobia and Antisemitism. Funds raised that evening were designated to the University's ongoing mission to educate about, and battle of, these scourges.

We are committed to continue our work to enhance public awareness of Israel's international standing and to provide financial support to Tel Aviv University's efforts in this, today so critical domain, as well as in many other educational and research initiatives at Israel's largest and most comprehensive institution of higher learning.

During this serious and sad time, we stand shoulder-to-shoulder with Pittsburgh's Jewish Community, and

all Jewish people around the world, and we would like to invite you to join in tomorrow's Solidarity Shabbat across North-America; each of us in our own synagogue, but mindful of Jews everywhere.

An attack on one Jew is an attack on all Jewish people. Let us not forget and confront any acts of hate, violence and antisemitism – Am Israel Chai!

Shabbat Shalom!

We closed this past fiscal year with a record US\$82.1 million – up by almost 30% since the start of the Campaign five years ago. Of course, these achievements would not have been possible without the generous support and marvelous commitment from around the world, seeing Tel Aviv University grow into a world-renowned institution!

TAU ALUMNI CORNER ...

Alumni Scholarship Drive

The TAU Alumni Organization, which already has 70,000 graduates signed up, will be vigorously fundraising for its first ever scholarship drive, led by TAU President Joseph Klafter, beginning in December 2018. The goal is to raise **one million dollars** for financial assistance, with at least one million shekels of that sum coming from alumni in Israel. A big party during or around the Board of Governors meeting will wrap up the effort.
